

## **Traditional Children's Birthday Parties at Camp Ketcha**

### **Party Details**

Traditional parties include group games and sports. Games we have played in the past include Park Ranger, Red Light Green Light, Gaga, Soccer, Baseball, Parachute games and more. Games will vary depending on the birthday child's age. Parties with a wide age range of children can be very challenging and therefore games will be geared toward the birthday child's age. Parents may request specific games to be played.

### **Party Schedule**

Traditional parties include 1 hour of games & activities and 30 minutes of family time for cake/presents or anything else you choose. The staff member will be available to help pass out cake or goodies during this time. Parents may choose to have the 1 hour of games first or last.

Please note that after the 30 minutes families are expected to help clear guests as we often have additional parties or other events in the building. Additional time may be added when you schedule your party but not on the day of the party. Please plan ahead as to how much time you will need.

### **Parking**

Please let all party guests know that they should park at the main building on the corner of Spurwink Road and Black Point. Guests should enter off of Black Point Road as Spurwink is exit only.

### **Party Set-Up**

Traditional parties will be in the great room in the colder months and outside & in the pavilion in the summer. In the winter parents only will have access to the great room 15 minutes prior to the party start time. Staff will have set up two 6 foot tables & chairs for party guests to sit at. There is a small round table for cake or presents. All balloons MUST have a weighted holder. It is very costly for us to collect balloons from the ceiling. For parties outdoors in the pavilion parents will have 15 minutes for set up. All of the picnic tables are painted red and will be available for use.

### **Food**

Camp Ketcha has a refrigerator and freezer available for your use during the party. You may bring all of your own food or have food delivered. Please plan ahead for all of the paper goods and supplies that you will need.

### **Inclement Weather**

In the case of inclement weather for traditional parties the party will move inside.

If you have any questions or concerns please feel free to contact us. You may either email Liz at [LTully@campketcha.org](mailto:LTully@campketcha.org) or call 883-8977, ext. 103.

We look forward to providing a fun, safe birthday party experience!
